Vendors Views We moved into the house nearly 5 years ago as a new build. The neighbours across the development all have a WhatsApp group for recommendations/help etc and also a buy/sell/give away group for toys, clothes, books, etc. which have both been really useful. The neighbours are all lovely and there's a real community spirit from everyone in the development. Our children have enjoyed seeing/feeding the ducks/ducklings and geese/goslings come and go at the pond opposite the house. The area is very quiet and doesn't have much traffic so they also enjoy to ride their bikes/scooters around the paths/roads whenever it's not raining! The step up in the garden is a real sun trap and gets the sun for the majority of the day. In the evening we can sit and see the sunset. We hope that people living in the house in years to come will enjoy these things too!
