Location

The Windsors is a well maintained private development built in the 1980's with a mix of similar 1, 2, and 3 bedroom houses. The location is ideal for the Central Line at Buckhurst Hill and Queens Road's with its boutique shops, cafes, restaurants and Waitrose. The area is well served by transport links with the M11, M25 and routes in London closeby and the Central Line gives direct access to the City, West End and Canary Wharf. The property briefly consists of an entrance porch opening onto a spacious lounge/dining room with tiled flooring, and open stairs to the first floor. The kitchen, to the rear of the house, has been refurbished with stylish fitted units with ample space for appliances and storage. Upstairs are two well appointed bedrooms, the larger room with fitted wardrobes, both served by a contemporary shower room with a modern white suite. Outside there is a courtyard style rear garden, perfect for a summer barbeque, and to the side of the neighbouring house is a parking area with space for two cars.
