Gated Enclave Of Just Three Homes

High End Finish & Specification

Jenkinson Estates are able to present to the market this exclusive new build development of only three detached homes in the very heart of Deal. This enclave of just three high end homes is the epitome of stylish and designer modern living. This stunning gated development is very rare in such a central location and the space and specification will not disappoint. These detached homes provide versatile living space and could be configured to suit many lifestyles. We are marketing as three-bedroom homes across two levels with the master and second double bedroom to the first floor. The third on the ground level. The master bedroom is furnished with a luxury En-suite dressed with Lusso furniture and fittings, as is the family bathroom, again on the first floor. The first floor is flooded with light as these designer homes take advantage of clever use of tall windows, high ceilings and roof lights that complement the incasement windows.
