ATTRACTIVE MIDDLE TERRACED HOME WITH POTENTIAL. Situated in a very convenient location being within easy walking distance of excellent local schools and St Mary's Cray Railway Station with its superb commuter service into London and also to The Nugent shopping centre this middle-terraced home is ideal for a young family. The property provides a bright and airy lounge, a fitted kitchen and a lobby with 2 storage cupboards on the ground floor. The first floor offers 2 double bedrooms and a fitted bathroom and separate WC. Also on offer is an excellent sized rear garden which is South facing. There are some allocated parking spaces for these homes nearby which are for public use but not specifically reserved. The property is double glazed and centrally heated and although in good general condition, in our opinion it offers to extend and reconfigure subject to planning consents. There is NO ONWARD CHAIN and we therefore expect much interest and we therefore recommend your earliest attention.
