Kenton are delighted to present to the market this traditional 1930's semi-detached house, situated in one of the most popular and convenient of locations. Exuding character with feature fireplaces to the reception rooms, original picture rails and high ceilings throughout, the ground floor accommodation comprises; a welcoming entrance hall, 2 good size reception rooms, plus a kitchen/breakfasting room. Upstairs you will find 3 generously sized bedrooms (two of which benefit from built-in storage), a family bathroom with both bath and corner shower, plus a separate WC. Whilst there are areas a new owner may wish to modernise in time, in our opinion, the property has been well-looked after throughout. Outside, the rear garden boasts a Southerly-facing orientation, and has been well-stocked over the years with mature shrubs, trees and flowerbeds. Furthermore, there is a detached garage to the side, ideal for storage or equally could lend itself to being converted to a home office or gym. Charterhouse Road is situated in the sought-after South of Orpington, and well-located for many well-regarded schools such as St Olaves Grammar, Newstead Wood Grammar, and Warren Road Primary, to name just a few. Additionally, Orpington Station is only a short walk (circa 10-13 mins) from the property, and there are also several bus stops situated along the road as well as on neighbouring roads, which a handful of routes service.
