90 North Road is a spacious semi-detached period home, ideally positioned on Hythe's picturesque hillside. The well-proportioned accommodation features a generous open-plan sitting and dining room, staircase to the first floor and open through to the well-appointed kitchen. Upstairs, there are two double bedrooms, with the principal bedroom enjoying attractive views across the town and out to the sea, along with a family bathroom.

To the rear, the property benefits from a charming courtyard garden, providing a wonderfully private setting for relaxing or entertaining.

**SITUATION**

A desirable location within the sought after conservation area on Hythe's picturesque lower hillside. Church Hill, opposite the property, is lined with hollyhocks throughout the summer and leads straight down the hill to the town centre. Church Hill leads onto Great Conduit Street (Hythe's shortest road) and directly into the bustling High Street, with its range of interesting shops, boutiques, restaurants and cafes, together with 4 supermarkets (including Waitrose, Sainsburys and Aldi), doctors' surgeries, etc. Schools are also excellent with Hythe Bay C of E Primary, Saltwood C of E Primary, St Augustines Catholic Primary & Brockhill Park Performing Arts College all being accessible. There are also two highly regarded Grammar Schools in Folkestone with a regular bus service providing access to both.

The attractive, unspoilt seafront and picturesque Royal Military Canal are a short walk away together with a variety of sports and leisure facilities, including 2 golf courses, swimming pool, cricket, squash, bowls and lawn tennis clubs together with the Hotel Imperial Leisure Centre.

The area is fortunate in having particularly good communications with a main line railway station in Saltwood (Sandling 2 miles) and access to the M20 (Junction 11 4 miles). The High Speed Link rail service to Stratford and St Pancras is available from Folkestone West (5 miles) and Ashford International (10 miles), with journey times of 53 and 37 minutes respectively. The Channel Tunnel Terminal is just over 3 miles away and the ferry port of Dover 12 miles away. (All distances are approximate.)
