

Bay Tree House
St Mary Street, Monmouth

ROSCOE ROGERS KNIGHT
Town and country properties

St Mary Street, Monmouth, Monmouthshire

This is a rare and exciting opportunity to purchase one of three grade II listed luxurious homes that have been created from a former Coaching Inn, contemporarily remodelled to an extremely high standard with bright and airy, spacious rooms throughout. This large 3 bedroomed townhouse has an inverted layout and is immaculately presented. situated in the centre of town just a short flat walk from local amenities. The Mediterranean styled inner courtyard accesses private off-road parking with an electric car charging port facility.

Originally built in 1240 this wonderful historic building has stood for 800 years in St Marys Street. Beginning life as a local shop trading goods & spices, the property was then obtained by Edmond Crouchback the brother of King Edward 1st. By 1613 the shop became the "Brew House" and later on in the early 17th century acquired its new name of "The Angel Inn," it remained an Inn for 265 years. Due to the vast history of the property it has been possible for the current owner to create large open plan living areas with a contemporary feel which is very unusual within listed buildings.

What3words:///paler.portable.spray

Offers Over £430,000

The building has a combination of a coloured rendered exterior with high quality cladding with inset contemporary double-glazed Aluminium windows and entrance doors under a tiled roof. Floors are a combination of engineered oak and ceramic tiles. Inner features include oak panelled doors, low voltage down lighters and high-speed broadband. Built as an ultra-low energy home with the benefit of high levels of insulation and underfloor heating via an air source heat pump.

There is a panelled security door off St Mary Street into the Entrance Hallway. Back access from Glendower car park is via a secure metal gate into the Mediterranean styled central courtyard. Through part glazed door into:
