Blue Door

Primrose Green, Usk

Occupying an extensive level plot in a desirable village location, this luxurious and architecturally designed five-bedroom family home has stylishly presented accommodation throughout, with a wealth of quality fixtures and fittings and a seamless blend of indoor-outdoor living space. Newly built by the current owners in 2019, enjoying excellent levels of natural light with a galleried mezzanine landing and state-of-the-art control system enhancing the convenience and comfort of the home. Beautifully maintained rear gardens, integral double garage, and ample off-road parking.

Traditionally constructed with a K Rend exterior and inset contemporary double-glazed aluminium windows and doors set under pitched slate roofs. Internal features include but are not limited to high raked ceilings, oak doors, low voltage downlighters, two decorative inset wood burning stoves, ceramic tiled flooring. An air source heat pump supplies domestic hot water and underfloor heating to the ground and first floors. The main entrance to the property is from the gravelled drive through a part-glazed front door with feature glazing and matching side panels into:

The main entrance to the property is from the gravelled drive through a part-glazed front door with feature glazing and matching side panels into:
